Abdul Moid

MERN, Full Stack Developer in making | Empowering Tech
Enthusiast Pursuing Engineering Excellence at Lords Institute
Hyderabad, Telangana, India

Summary

I am experieced in Web Development to develop website layouts.

I have hands on experience in Frontend technologies like (HTML5, CSS3, Bootstrap, Tailwindcss, Javascript and other JS libraries) and currently learning Backend technologies and Frameworks and Databases.

8+ CGPA | and skillfull in Python and experienced on cybersecurity tools.

I possess curiosity and enthusiasm for exploring emerging and established technologies. This keen intertest dives me to learn technologies like (Typescript, PHP, Strapi, Firebase, Flutter, Rust, Go etc).

Aspiring for a successfull career in Software Development, I aim to leverage my acquired skills and expertise to provide tangible value to prospective organizations.

Outside of tech, I love to play Football and to spend time with my family.
